

AN ORDINANCE IMPOWERING THE CITY OF SOMERSET
TO LEVY, ASSESS AND COLLECT SUCH
TAXES AS THE GOVERNING BODY MAY DETERMINE

WHEREAS, the City of Somerset, Texas, has an obligation to protect its citizens and to provide an acceptable standard of living by the construction or purchase of public buildings, water works, sewers and other improvements, within the city limits; and

WHEREAS, it is necessary for the funds to be made available to satisfactorily provide these necessities and provide funds for all other current expenses; therefore,

BE IT ORDAINED by the City Council of the City of Somerset:

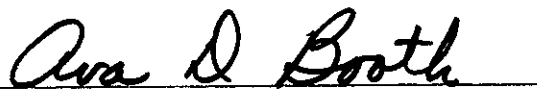

SECTION 1: That the City of Somerset is hereby empowered to levy, assess, and collect such taxes as said governing body may determine, not to exceed any one year, one and one half per cent (1 1/2%) of the taxable property of the said city.

SECTION 2: That the purpose of levying, assessing and collecting such taxes will be for current expenses and for the purpose of construction for the purchase of public buildings, water works, sewers and other improvements, within the limits of the said city, and for the construction and improvements of roads, bridges and streets of said city.

DATED and APPROVED this 10th day of February, 1977.
